Music in Worship

The Prelude and Offering music today are works written by American composers. Henry Cutler was a Boston native who studied in Germany in the 1840s, later serving in churches in New York, Boston, Philadelphia, Troy, Brooklyn and Providence. Charles Ives (1874-1954) was a prolific American "modernist" composer, one of the first to reach international fame.

Mission Offering

HOSPITALITY APARTMENTS

The mission offering is collected at the church doors at the end of worship.

The Hospitality Apartments provide FREE temporary housing (up to three months) and a safe, welcome, comfortable, supportive environment for families in need who must come to Houston for treatment of life-threatening illnesses in the Texas Medical Center hospitals. Since 1968, this 100% volunteer ministry has served over 7,000 families from all over the world. In 2007, they designed, constructed, funded, maintained, and staffed a new ADA-compliant, energy-efficient, 4-story campus.

The Hospitality Apartments started in 1968 in a small rented four-plex Army barracks building. Not only has the Hospitality Apartments never had direct government support in its history, but never has any money been spent for professional management or fundraising help. All decisions are made and operations provided by volunteers. There is no paid staff. The Resident Managers are compensated by getting extra time over the three months maximum. Need is the only criterion for eligibility besides living over 50 miles from the Medical Center. Selection is based on chronological order of application.

All apartments are completely furnished, including linens with laundry rooms available at no charge. Occupancy has always been 99.9% of the available apartments. When someone leaves, the apartment is cleaned and families from the waiting list are called. Christ the King Lutheran Church has been one of this ministry's supporting 23 churches for more than 30 years. You are welcome to visit the Hospitality apartments at 7300 Bertner.

If you have questions, please contact Julie Giam at 713-443-4196 or juliegiam005@gmail.com.

Letter from a Guest from *The Volunteer*, June 2017, the monthly newsletter of Hospitality Apartments

To all the volunteers of Hospitality Apartments, I just want to say thank you for everything you do! This has provided me a place to recoup from my kidney transplant in a safe and clean apartment so that I can go home and be a mom to my two small children. God has blessed me with the gift of life renewed and a better way to live. The staff here played a huge part. God bless you all. To God be the glory and I will continue to pray for the other patients still here. Organ donation saves lives!!! - Jessica
