Sunday Evening Conversations on Creation

Sunday, July 30, 6:00 p.m.: Entering Cadillac Desert

Whether through its abundance in oceans and rivers, its magnificence in rain, or its stark absence in deserts, water has been worshipped and considered sacred by different religions and cultures for millennia. It is fundamental to life but is also a finite resource, often taken for granted in our world. As climate change redistributes it unpredictably through droughts and floods, new tragedies of water inequities are taking shape, as documented in environmental historian Marc Reisner's classic, *Cadillac Desert*. As we enter new Cadillac deserts, Andy Hartley, Ph.D., will examine the importance of reawakening a reverence for water that pours into new laws, policies, and acts of kindness. After Andy's talk, there will be time for Q&A. If you would like to join this online conversation, please register at www.eventbrite.com and you will receive an invitation to the web meeting. For more information, contact Lisa Brenskelle at brenskelle@aol.com.

Walking the Mourner's Path – A Grief Support Program

We all experience the grief that comes with losing someone we love and with that grief comes the journey of mourning. Christ the King Church will offer an eight week support program **Monday, September 18 - November 6** facilitated by Beverly Davis and Linda Schoene. The sessions will be held on eight consecutive Mondays from 5:00-7:00 p.m. at the church. Christ is present with those who mourn and there are tools for moving forward while honoring our loved ones. If you are interested in joining the group please contact Beverly, beverlydavis@ctkelc.org, or Linda, lindaschoene@ctkelc.org, to determine if this group will meet your needs. Registration deadline is August 18.

HOSPITALITY APARTMENTS

The mission offering is collected at the church doors at the end of worship.

The Hospitality Apartments provide FREE temporary housing (up to three months) and a safe, welcome, comfortable, supportive environment for families in need who must come to Houston for treatment of life-threatening illnesses in the Texas Medical Center hospitals. Since 1968, this 100% volunteer ministry has served over 7,000 families from all over the world. In 2007, they designed, constructed, funded, maintained, and staffed a new ADA-compliant, energy-efficient, 4-story campus.

The Hospitality Apartments started in 1968 in a small rented four-plex Army barracks building. Not only has the Hospitality Apartments never had direct government support in its history, but never has any money been spent for professional management or fundraising help. All decisions are made and operations provided by volunteers. There is no paid staff. The Resident Managers are compensated by getting extra time over the three months maximum. Need is the only criterion for eligibility besides living over 50 miles from the Medical Center. Selection is based on chronological order of application.

All apartments are completely furnished, including linens with laundry rooms available at no charge. Occupancy has always been 99.9% of the available apartments. When someone leaves, the apartment is cleaned and families from the waiting list are called. Christ the King Lutheran Church has been one of this ministry's supporting 23 churches for more than 30 years. You are welcome to visit the Hospitality apartments at 7300 Bertner.

If you have questions, please contact Julie Giam at 713-443-4196 or juliegiam005@gmail.com.

Letter from a Guest from *The Volunteer*, June 2017, the monthly newsletter of Hospitality Apartments

To all the volunteers of Hospitality Apartments, I just want to say thank you for everything you do! This has provided me a place to recoup from my kidney transplant in a safe and clean apartment so that I can go home and be a mom to my two small children. God has blessed me with the gift of life renewed and a better way to live. The staff here played a huge part. God bless you all. To God be the glory and I will continue to pray for the other patients still here. Organ donation saves lives!!! - Jessica
