## CARING CONVERSATIONS

Discuss in your household or small group:

- What is something you have made? What did you use to make it?
- In the beginning God created the heavens and earth from nothing at all (Genesis 1:1-5). Imagine that were you able to travel back in time to that first moment. What do you think you would see, hear, feel?
- Think back on the past week. In what ways have you seen or experienced God's creative power?

## DEVOTIONS

On "Baptism of our Lord Sunday," we are invited to remember our own baptisms. In your home devotional times this week, share baptismal details and stories of members of your household. Look at any photos or videos you may have. Look up these verses about Baptism and discuss what they say: Romans 6:4, Galatians 3:27, Titus 3:5-6.

## SERVICE

God calls us to help him in taking care of his creation. As an act of community service, take a few plastic bags and walk around your neighborhood picking up litter (remember to wear gloves).

## RITUALS AND TRADITIONS

At the time of creation, the Spirit of God was "moving over the waters" (Genesis 1:2). The same creative, life-giving Spirit of God was present and active when Jesus was baptized in the waters of the Jordan River (Mark 1:10) and is present and active whenever and wherever people are baptized in the name of Jesus (Mark 1:8, Acts 2:38). Share a ritual of baptismal remembrance. Set out a bowl of water. Say these words in turn to each person:

**(Name), you were baptized on (date) at (place). There and then God adopted you as a beloved child and gave you the Holy Spirit. Remember today that you belong to God. Dip a finger into the water and make the sign of the cross on the person's forehead. Then, share this blessing with them: May the Spirit of God move over you and in you, filling you with faith, hope, love and peace. Amen.**
