## CARING CONVERSATIONS

Discuss in your household or small group:

- When you go on a trip, what things do you like to take with you?
- Jesus sent out his twelve disciples to preach to others and to help them (Mark 6:7-13). He told them to go without food, money and bags. Why do you think he told them to take so little with them?
- The disciples needed to rely on God to provide for them as they went out to do his work. In what ways do you need to look to or rely on God more?

## DEVOTIONS

In your home devotion times this week, make a list or draw pictures of ways you have seen God's power at work, whether in nature or in people or events around you. Give thanks for those things. Read and discuss one or more of these verses that speak of God's power: Matthew 19:26; 1 Chronicles 29:12; 1 Corinthians 1:25; Psalm 89:8-9,11,13; and Isaiah 40:28-31.

## SERVICE

When Jesus went back to his home town of Nazareth, he wasn't made to feel very welcome, even by his own family (Mark 6:1-6). We can easily take our relatives and friends for granted. Work on showing appreciation for one another as a household this week. Brainstorm ways in which this can happen. Post a list of ideas as a reminder and encouragement for those in your household.

## RITUALS AND TRADITIONS

Is there someone who has moved to your area to minister to others in the name of Jesus? Plan to invite them to your home for a meal to show them your appreciation and support. Make this an annual tradition for your household by designating a particular week as your "Ministry Appreciation Week." At the same time each year, invite someone in ministry into your home to experience your hospitality and encouragement.
