At 5:55, the assembly will sing table grace. As a reminder, children 6th grade and under should be in a class, with a group or with their parents during WNA. Volunteers will gently re-direct children to a class or adult supervision if found wandering. Our nursery is available for children too young to join in the fun, and after 7:30 pm all children up to 6th grade are welcome in the nursery. Youth are invited to help throughout WNA in the kitchen or nursery, or participate in the adult programs. After 7:30 pm no supervision is available outside the nursery. We recommend that youth waiting for parents during choir practice find a place to stay away from the entrance lobby. All doors will be locked at 8:00 pm.
