At 5:55, the assembly will sing table grace. As a reminder, children 6th grade and under should be in a class, with a group or with their parents during WNA. Volunteers will gently re-direct children to a class or adult supervision if found wandering. Our nursery will not be staffed but open for parents and caregivers to use as needed. Youth are invited to help throughout WNA as servers and greeters or participate in the adult programs. After 7:30 pm no supervision is available. We recommend that youth waiting for parents during choir practice find a place away from the entrance lobby. All doors will be locked at 8:00 pm.

Starting 2nd six weeks, October 19, a Creation Care study class will be added with Lisa Brenskelle. Pastor Larson will begin a six week class on Ecumenical Relations before the 500th anniversary of the Reformation. Kristine Wallaces' class on the medieval church before Martin Luther continues for the semester.
